OUTLOOK 2013

- Organic volume growth for both orders and revenue is expected to amount to approximately 3-4%.
- Profit before tax for 2013 is expected to be SEK 3,000-3,200 M, including planned restructuring charges of SEK 450 M, other nonrecurring items, negative currency translation effects of approx. SEK 200 M, as well as the Medical Device Tax in the US and negative currency transaction effects of SEK 230 M.

Q&A

## Forward looking information

This document contains forward-looking information based on the current expectations of the Getinge Group's management. Although management deems that the expectations presented by such forward-looking information are reasonable, no guarantee can be given that these expectations will prove correct. Accordingly, the actual future outcome could vary considerably compared with what is stated in the forward-looking information, due to such factors as changed conditions regarding business cycles, market and competition, changes in legal requirements and other political measures, and fluctuations in exchange rates.
