

PART I- GENERAL TERMS AND CONDITIONS**1. ACCEPTANCE, SCOPE AND STRUCTURE OF THESE TERMS**

- a) These general terms and conditions of sale (“**GTC**”) apply to the sale of Goods (as hereinafter defined), Services (as hereinafter defined) and SaaS (as hereinafter defined) as set out in the Commercial Proposal provided by Getinge Netherlands B.V., a private limited liability company under Dutch law registered under number 30059315, having its business office located at Oscar Romerolaan 3, 1216 TJ Hilversum, The Netherlands (“**Getinge**”), to which these terms are appended (the “**Commercial Proposal**”). The Commercial Proposal defines the Price, Delivery and any other special conditions, which will apply. Getinge shall supply and the Customer (as hereinafter defined) agrees to purchase the Goods and (if applicable) the Services in accordance with and on the basis of these GTC which together with the Specifications (as hereinafter defined) and the Commercial Proposal constitutes the “**Agreement**”.
- b) The Agreement comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. This Agreement prevails over any of Customer’s general terms and conditions of purchase regardless whether or when Customer has submitted such other terms. Fulfilment of Customer’s order does not constitute acceptance of Customer’s terms and conditions and does not serve to modify or amend this Agreement.
- c) These GTC contain 3 (three) parts (each, a “Part” and collectively the “Parts”). Part I contains “General Terms and Conditions,” which shall be applicable to all sales and purchases of Goods, Services and SaaS. Part II of this Agreement contains “Terms and Conditions for Sale of Goods,” which shall be applicable to the purchases and sales of Goods, as the case may be, in addition to the provisions of Part I. Part III of this Agreement contains “SaaS Terms and Conditions,” which shall be applicable to the subscription to a SaaS, as the case may be, in addition to the provisions of Part I.
- d) Any of the following shall constitute Customer’s unqualified acceptance of these GTC: (i) written acknowledgement of these GTC; (ii) issuance or assignment of a purchase order for the Good(s) or Services thereunder; (iii) acceptance of any shipment or delivery of Good(s) or provision of Services thereunder; (iv) payment for any of the Good(s) or Service(s); (v) the date when Customer has copied, downloaded, accessed, installed or otherwise used a Software, or been granted access to a SaaS; or (vi) any other act or expression of acceptance by Customer. Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the Goods, Services or SaaS covered by the Commercial Proposal, the terms and conditions in such contract shall prevail to the extent they are inconsistent with these GTC.
- e) These GTC shall only apply vis-à-vis commercial customers and with respect to commercial transactions.
- f) No variation to these GTC shall be binding unless agreed in Writing between the authorized Representatives of the Customer and Getinge.

Any reference in these GTC to any provision of a statute shall be construed as a reference to that provision as amended, re-enacted or extended at the relevant time.

The headings in these GTC are for convenience only and shall not affect their interpretation.

2. BASIS OF THE SALE

- a) Getinge shall sell and the Customer shall purchase the Goods, Services and/or SaaS in accordance with any written Commercial Proposal of Getinge which is accepted by the Customer, or any written order of the Customer which is accepted in Writing by Getinge, subject in either case to these GTC, which shall govern the Agreement to the exclusion of any other terms and conditions subject to which any such Commercial Proposal is accepted or purported to be accepted, or any such order is made or purported to be made, by the Customer. Oral agreements shall only become valid when Getinge confirms the same in Writing.
- b) Getinge’s employees or agents are not authorized to make any representations concerning the Goods, Services or SaaS unless confirmed by Getinge in Writing. In entering into the Agreement, the Customer acknowledges that it does not rely on, and waives any claim for breach of any such representations which are not so confirmed.
- c) Any advice or recommendation given by Getinge or its employees or agents to the Customer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in Writing by Getinge is followed or acted upon entirely at the Customer’s own risk, and accordingly Getinge shall not be liable for any such advice or recommendation which is not so confirmed. Marketing and other promotional material relating to the Goods, Services or SaaS are illustrative only and do not form part of the Agreement. The Customer agrees that, in submitting an order, it has not relied on any representation or statements by Getinge other than those expressly set out in the Agreement.
- d) Any typographical, clerical or other error or omission in any sales literature, Commercial Proposal, price list, acceptance of offer, invoice or other document or information issued by Getinge, including Getinge’s website, shall be subject to correction without any liability on the part of Getinge.

3. ORDERS

- a) Getinge does not represent, warrant or undertake that all of the Goods will be available for order at all times, or until an order is accepted, that Getinge can supply the volumes requested.
- b) The minimum order value is 250 Euro. For orders below 250 Euro an additional surcharge of 30 Euro will be charged to Customer.
- c) No order which has been accepted by Getinge may be cancelled by the Customer except with the agreement in Writing by Getinge and on terms that the Customer shall indemnify Getinge in full against all loss (including loss of profit), costs (including the cost of all labor and materials used), damages, charges and expenses incurred by Getinge as a result of cancellation.
- d) Getinge’ Commercial Proposal that do not include any acceptance deadline may be revoked by Getinge

unless Getinge receives written confirmation of acceptance by the Customer within three (3) weeks with effect from the Commercial Proposal date.

- e) Getinge reserves the right to request full or partial pre-payment prior to delivery of the Goods.

4. PRICE

a) The Price shall be as stipulated in the Commercial Proposal, or in the event of the Commercial Proposal being silent on the matter, in accordance with the then current list prices of Getinge.

b) Except as otherwise stated under the terms of any Commercial Proposal and unless otherwise agreed in Writing between both the Customer and Getinge, all Prices are given by Getinge on a CPT INCOTERMS 2020 basis. The Customer shall be liable to pay Getinge's charges for transport, packaging, freight and insurance.

c) All Prices are exclusive of Value Added Tax (or equivalent sales tax) sales, withholding or other tax (other than income tax to which Getinge may be subject), which shall be payable in addition by the Customer. If any amount due under the Agreement is subject to such Value Added Tax, sales, withholding or any other tax which has the effect of reducing the amount of money which Getinge would have been entitled to receive or retain from the Customer under the Agreement but for such tax, the Customer will, at Getinge's request, pay to Getinge such additional sum at the rate for the time being prescribed by law for that tax. Customers within the EU shall be obligated to indicate their Value Added Tax identification number.

d) The Price set forth in the Commercial Proposal includes the cost of labor, travel and parts, provided that the Service is performed during the hours covered in these GTC. Charges for services or goods not covered by the Agreement will be invoiced separately at the time of occurrence or delivery and at the prevailing rates.

e) Whenever the Commercial Proposal and Price is presented in a foreign currency, the Parties shall observe the foreign exchange (FX) conversion rate and rules, as per the local applicable laws and rules. The FX must be expressed in the Commercial Proposal attached to this GTC and subjected to the Customer acceptance by signing the Commercial Proposal.

5. TERMS OF PAYMENT

a) Subject to any additional or other terms agreed in Writing by Customer and Getinge, Getinge shall be entitled to invoice Customer for the Price of the Goods, Services and SaaS on or at any time after delivery of the Goods, performance of the Services or access to a SaaS. Notwithstanding the foregoing, in the event the Goods are to be picked up by the Customer or the Customer does not accept delivery of the Goods in accordance with the Commercial Proposal, in addition to the Price outlined in the Commercial Proposal, Getinge shall be entitled to invoice the Customer for:

- i. a stocking fee, which may amount ten per cent (10%) of the Price, per month and for a maximum of two (2) months, after Getinge has first notified the Customer that the Goods are ready for collection or (as the case may be) Getinge has tendered delivery of the Goods;
- ii. the Price of the Goods if, two (2) months after Getinge has first notified the Customer that the Goods are ready for collection or (as the case may be) Getinge has first tendered delivery of the Goods, the Goods are still stored by Getinge.

b) The Customer shall pay the Price in the invoicing currency within 30 days of the date of Getinge's invoice, subject

to credit, notwithstanding that delivery or performance may not have taken place and the property in the Goods has not passed to the Customer.

c) The invoice will be issued to the company that presented the purchase order and executed Getinge's Commercial Proposal and these GTC. Also, the payment shall be made by the same legal entity.

d) If the Customer fails to make any payment on the due date then, without prejudice to any other right or remedy available to Getinge, Getinge shall be entitled to: (i) cancel the Agreement or suspend any further deliveries or performance to the Customer; and (ii) charge the Customer interest (both before and after any judgement) on the amount unpaid, at the rate of interest applied by the Central Bank in the Country from where Getinge is selling or providing services to its most recent financing operation plus 10 (ten) points. Interest will accrue on a daily basis and apply from the due date for payment until actual payment is made in full, whether before or after judgement.

e) All payments shall be paid in full and cleared funds without any deduction or set-off or counter claim in accordance with the payment terms on the Commercial Proposal.

f) Getinge may require from the Customer that the latter provide as security for payment, two (2) weeks before the delivery date, an irrevocable and confirmed letter of credit, a banker's bond or a bank guarantee. The assertion of any rights of retention or offsetting any Customer counterclaims that are not acknowledged by Getinge, have not been established by final court decision and are not yet ready for a decision in a legal dispute shall not be permitted.

g) Getinge is not obliged to accept any checks or bills of exchange as method of payment. Acceptance of such payment methods must be agreed upon beforehand and shall occur in any case only on account of performance and will not be considered as performance in full discharge of an obligation. Any related costs will be borne by Customer. Credit notes from checks and bills of exchange will occur by deducting any costs and subject to receipt at the value on the day Getinge has access to the equivalent value.

6. LIABILITY

a) Except in respect of death or personal injury caused by Getinge's negligence, Getinge shall not be liable to the Customer by reason of any representation, or any implied warranty, condition or other term or any duty, or under the express terms of the Agreement, for any consequential loss or damage (whether for loss of profit or otherwise), costs, expenses or other claims for consequential compensation whatsoever (and whether caused by the negligence of Getinge, its employees, Affiliates or agents or otherwise) which arise out of or in connection with the execution of the Agreement, except as expressly provided in these GTC.

b) Getinge shall not be liable for the correct choice of Goods for the purpose intended in the individual case and for the correct linkage of such Goods to one another or to items of the Customer. This shall be the sole responsibility of the Customer or of such person who links and installs the Goods on behalf of Customer. Getinge disclaims any and all liability for faulty and/or false connections of Goods and for any use that is non-compliant to applicable law in the country of use.

c) Getinge shall not be liable to the Customer or be deemed to be in breach of the Agreement by reason of any delay in performing, or any failure to perform, any of Getinge's obligations under the Agreement, if the delay or failure was due to any Force Majeure event.

d) To the fullest extent permitted by law, and notwithstanding anything contained in the Agreement to the

contrary, Getinge's total aggregate liability under, or in connection with this Agreement, whether arising in tort (including negligence), contract or in any other manner will not exceed, in total, the lesser of: i) Customer actual direct damages; or ii) the Price which Customer has paid Getinge for the Goods, Services or SaaS giving rise to such claim; or (iii) 50 % of the Price which Customer has paid Getinge for the Standalone Software giving rise to such claim in. Getinge shall in any event not be liable to the Customer for any (i) loss of profit or revenues; (ii) loss of or damage to data or information systems; (iii) loss of contract or business opportunities; loss of anticipated savings; (iv) loss of goodwill; or (v) any indirect, special or consequential loss or damage.

e) Neither Party will be liable to the other for any breach of this Agreement to the extent that such breach is caused by a breach of this Agreement by the other Party.

f) Getinge shall have no liability whatsoever for any damages suffered, directly or indirectly, by any person as a result of (i) the operation or the use of Goods in combination with any other hardware or software not supplied by Getinge; (ii) any modification to the Goods or any of its components, including without limitation, the Software, or the SaaS, made by the Customer or any third party; (iii) use of any open source or third party software provided by Getinge hereunder; (iv) any words, description, trademarks, devices and other matters printed on the Goods at the Customer's request or in accordance with the Customer Specification; and/or (v) the Software is used contrary to its intended purpose, in combination with software or hardware not supported by the Software, or otherwise used contrary to Getinge's instructions or the Documentation.

g) In the event that the Goods supplied under this Agreement are Goods which form a System, the Customer shall indemnify and hold Getinge harmless from and against any claim or threatened claim for damages, penalties, costs and expenses (including reasonably attorneys' fees) arising, directly or indirectly from (i) the manufacture, use, sale, distribution, marketing or commercial exploitation of any pharmaceutical product or other substance or derivation by the Customer using the System; or (ii) modification of the System by the Customer or any third party.

h) Save where Getinge or its Representatives are negligent, the Customer shall hold Getinge and its Representatives harmless from all claims against Getinge brought by the Customer's own Representatives resulting from personal injury or death or loss of property which arise whilst at Getinge' premises or while the Customer's Representatives are interfacing with, or assisting Getinge in its work (if any) at the Customer's site

7. TERMINATION

a) This Agreement may be terminated immediately by either Party serving notice in writing to the other Party where the other Party: (i) commits a material breach of this Agreement and such breach, if remediable, is not remedied within twenty (20) Business Days of receiving written notice to do so; or (ii) becomes insolvent or becomes the subject of any proceeding under any bankruptcy, insolvency or liquidation law, or is otherwise unable to pay its debts as they generally become due; or (iii) becomes subject to property attachment, court injunction or court order which has a material adverse effect on its operations; or (iv) makes an assignment for the benefit of its creditors otherwise than pursuant to the provision of finance or credit in the ordinary course conduct of its ongoing business or is petitioned into bankruptcy; or (v) conducts a material change in its management or control.

b) If this Section applies then, without prejudice to any other right or remedy available to Getinge, Getinge shall be entitled to cancel the Agreement or suspend any further deliveries or performances under the Agreement without any

Acceptance and delivery of the order will be done in strict compliance with the appropriate legal provisions and embargo regulations. Acceptance and execution of orders for Goods requiring approval is subject to the issue of applicable export licenses by the relevant country authorities. In case Goods require approval, Getinge requires an appropriate End-User-Declaration from the end user stating the precise use of the Goods and including an informative company profile. c) If individual provisions of these GTC are or become fully or partially ineffective, the remaining provisions of the GTC shall not be affected thereby. This also applies if an unintended omission is found in the Agreement. A fully or partially ineffective provision shall be replaced or an unintended omission in the GTC shall be filled by an appropriate provision which, as far as is legally possible, most closely approximates to the original intention of the contractual parties or to what they would have intended according to the meaning and purpose of these GTC had they been aware of the ineffectiveness or omission of the provision(s) in question.

d) Each party undertakes that it will keep any Confidential Information confidential and it will not use or disclose the other Party's Confidential Information to any persons except that it may disclose such Confidential Information to any of its Representatives who need to know the same for the purposes of performing any obligation under this Agreement, provided that such party must ensure that each Representative to whom Confidential Information is disclosed is aware of its confidential nature and agrees to comply with this Section as if it were a party.

h) Nothing in this Agreement shall be deemed to constitute a partnership between the parties or to make either party the agent of the other party for any purpose. Furthermore, each of the parties shall remain solely responsible for its own

acts, statements, engagements, performances, products (in the case of Getinge subject to the other terms of these GTC in relation to the Goods and Services), and personnel.

i) Nothing in this document is intended to create any rights in third parties against Getinge.

12. GOVERNING LAW AND DISPUTES

- a) This Agreement is governed by, and all disputes arising under or in connection with this Agreement shall be resolved in accordance with the laws of The Netherlands, without regard and to the exclusion of The Netherlands' conflict of laws rules. - c) The place of the arbitration shall be Amsterdam, and the language of the arbitration shall be English (the same as the language of the contract).
- d) In addition to the ICC's Rules, the Parties agree that the arbitration shall be conducted in accordance with the IBA Rules on the Taking of Evidence in International Arbitration, as current on the date of the commencement of any arbitration.
- e) The arbitrator(s) shall have the power to grant any interim or provisional measures that they deem appropriate, including but not limited to injunctive relief and specific performance, and any interim or provisional measures ordered by the arbitrator(s) may be specifically enforced by any court of competent jurisdiction as a final award. Nothing herein, however, shall authorize the arbitrator(s) to act as amiable compositeurs or to proceed ex aequo et bono, and the arbitrator(s) shall have no authority to exercise rights of jura novit curia. Each party hereto retains the right to seek interim measures from a judicial authority, and any such request shall not be deemed incompatible with the agreement to arbitrate or a waiver of the right to arbitrate.
- f) The arbitrator(s) may award to the prevailing party, if any, as determined by the arbitrator(s), its costs and expenses, including reasonable attorneys' fees. Judgment upon any award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.
- g) No information concerning an arbitration, beyond the names of the parties and the relief requested, may be unilaterally disclosed to a third party by any party unless required by law. Any documentary or other evidence given by a party or witness in the arbitration shall be treated as confidential by any party whose access to such evidence arises exclusively as a result of its participation in the arbitration, and shall not be disclosed to any third party (other than a witness or expert), except as may be required by law.

If Customer is purchasing Goods from Getinge, the following provisions shall exclusively apply in relation to the purchase and

sale of Goods, and Goods only, in addition to the provisions of Part I of these GTC:

1. SPECIFICATIONS

- a) The Customer shall be responsible to Getinge for ensuring the accuracy of the terms of any order (including any applicable Specification) submitted by the Customer ("**Customer Specification**"), and for giving Getinge any necessary information relating to the Goods within a sufficient time to enable Getinge to perform the Agreement in accordance with its terms
- b) The quantity, quality and description of and any Specification for the Goods shall be those set out in Getinge' Commercial Proposal.
- c) If the Goods are to be manufactured or any process is to be applied to the Goods by Getinge in accordance with a Customer Specification submitted by the Customer, the Customer shall indemnify Getinge against all loss, damages, costs and expenses awarded against or incurred by Getinge in connection with or paid or agreed to be paid by Getinge in settlement of any claim for infringement of Intellectual Property of any other person which results from Getinge' use of the Customer's Specification.
- d) Getinge reserves the right to make any changes (i) in the Specification or, if applicable Customer Specification of the Goods which are required to conform with any applicable safety or other statutory requirements; and/or (ii) where the Goods are to be supplied according to Getinge's Specification, to the components, functionality or performance characteristics of the Goods supplied under an order already in place, provided that the Goods continue to conform in all material respects with the Specification or Customer Specification in force at the time of the order.

2. DELIVERY

- a) The Goods will be delivered to the Delivery Location on or before the dates specified in the Commercial Proposal. Getinge shall notify the Customer in Writing as soon as reasonably practicable on becoming aware that a delay in delivery is likely and will provide a revised estimate, if possible. The Goods may be delivered by instalments. Any delay in delivery or defect in an instalment will not entitle the Customer to cancel any other instalment or the Agreement. Unless the Parties otherwise agree, packaging material is to be disposed of by the Customer at the Customer's expense.
- b) Getinge will use its reasonable endeavors to meet delivery dates but such dates are approximate only and time of delivery is not of the essence and Getinge shall not be liable for any delay in delivery of the Goods howsoever caused. The Goods may be delivered by Getinge in advance of the quoted delivery date upon giving reasonable notice to the Customer.
- c) The Customer acknowledges that any variance in the quantities of the Goods ordered up to 10% more or 10% less than the quantity ordered will not be regarded as a failure of Getinge to supply the Goods ordered, provided that Getinge will only invoice the Customer for, and the Customer will only be obliged to pay for, the quantity actually delivered.
- d) If Getinge is entirely unable to deliver the Goods for any reason other than any cause beyond Getinge's reasonable control or the Customer's fault, and Getinge is accordingly liable to the Customer, Getinge's liability shall be limited to the Price of the Goods that Getinge failed to deliver.

3. RISK AND PROPERTY

- a) Risk of damage to or loss of the Goods shall pass to the Customer: (i) in the case of Goods to be delivered at Getinge's premises, at the time when Getinge notifies the

Customer that the Goods are available for collection; or (ii) in the case of Goods to be delivered otherwise than at Getinge's premises, at the time of delivery or, if the Customer wrongfully fails to take delivery of the Goods, the time when Getinge has tendered delivery of the Goods.

b) Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these GTC, the property in the Goods shall not pass to the Customer until Getinge has received in cash or cleared funds payment in full of the Price of the Goods.

c) Until such time as the property in the Goods passes to the Customer, the Customer shall hold the Goods as Getinge's fiduciary agent and bailee, and shall keep the Goods separate from those of the Customer and third parties and properly stored, protected and insured and identified as Getinge's property and take all reasonable care of the Goods and keep them in the condition in which they were delivered and inform Getinge immediately if it becomes subject to any insolvency type event and permit, upon reasonable notice, Getinge to inspect the Goods during the Customer's normal business hours and provide Getinge with such information concerning the Goods as Getinge may request from time to time. Until such time as the Customer becomes aware or ought reasonably to have become aware that an insolvency type event has occurred or is likely to occur, the Customer shall be entitled to resell or use the goods in the ordinary course of its business, but shall account to Getinge for the proceeds of sale or otherwise of the Goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any moneys or property of the Customer and third parties and, in the case of tangible proceeds, properly stored, protected and insured. If the Customer resells the Goods in accordance with the foregoing, title shall pass to the Customer immediately prior to the resale. If, at any time before title to the Goods has passed to the Customer, the Customer informs Getinge, or Getinge reasonably believes, that the Customer has or is likely to become subject to an insolvency type event, Getinge may (i) require the Customer to re-deliver the Goods to Getinge (at the expense of the Customer if so requested by Getinge); and/or (ii) if the Customer fails to do so promptly, enter any premises where the Goods are stored and repossess them.

d) Until such time as the property in the Goods passes to the Customer (and provided the Goods are still in existence and have not been resold), Getinge shall be entitled at any time to require the Customer to deliver up the Goods to Getinge and, if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the Goods are stored and repossess the Goods.

e) The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of Getinge, but if the Customer does so all moneys owing by the Customer to Getinge shall (without prejudice to any other right or remedy of Getinge) forthwith become due and payable.

4. WARRANTIES AND REMEDIES

a) Subject to the conditions set out herein, Getinge warrants that the Goods will correspond with their Specification at the time of delivery and will be free from defects in material and workmanship during the Goods Warranty Period.
