

Getinge Assured

Green Tape

1.0 Product and Company Identification

Product Name	Getinge Assured Green Tape 18mm Getinge Assured Green Tape 24mm
Product Code	600115902, 6001154903
Product Use	Designed to seal packs that are exposed to steam sterilization, to distinguish between items processed and unprocessed.
Supplier	Getinge 74 Inverness Drive East Englewood, CO 80112 USA
Web	http://www.getinge.com
Email	info@getinge.com
NOTICE	The product listed below is an "article," and therefore is not subject to the Occupational Safety and Health Administration's (OSHA) Hazard Communication Standard, 29 CFR 1910.1200(b)(6)(v), and 1910.1200(c) which defines an "Article," as a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical, and does not pose a physical hazard or health risk to employees. For this product, an article, a Safety Data Sheet (SDS) has not been prepared, as none is required under OSHA. However, this Article Information Sheet document was prepared as a courtesy for our customers.

Supplier Australia: Getinge Australia Pty Ltd
Suite 701, Level 7, 11 Help Street
Chaswood, NSW 2067 Australia
Phone: 1800 438 464

Supplier New Zealand: Getinge Australia (NZ Branch)
600 Great South Road,
Building B, Level 2, Ellerslie,
Auckland 1051, New Zealand

2.0 Hazards Identification

This product is exempt from OSHA's Hazard Communication Standard (29 CFR 1910.1200). However, this product should not present a health or safety hazard under recommended or normal use of the product.

3.0 Composition / Information on Ingredients

Component	CAS Number	Weight %
Pressure sensitive tape	Trade Secret*	100

*chemical identities and percentage formulations are withheld as proprietary information

4.0 First Aid Measures

Eye contact:

No need for first aid measures is anticipated under recommended/normal use conditions

Skin contact:

No need for first aid measures is anticipated under recommended/normal use conditions

Inhalation:

No need for first aid measures is anticipated under recommended/normal use conditions

Ingestion:

No need for first aid measures is anticipated under recommended/normal use conditions

5.0 Firefighting Measures

Flash point: Not applicable

Flammable limits – LEL: Not applicable

Flammable limits – UEL: Not applicable

Auto ignition temperature: Not applicable

Extinguishing media: Water Spray, Dry Chemical, Foam

Special firefighting procedures: Wear full protective equipment and a self-contained breathing apparatus

Unusual fire and explosion hazards: Not applicable

6.0 Accidental Release Measures

Personal precautions, protective equipment, and emergency Procedures: Not applicable

Environmental precautions: Not applicable

Cleanup methods and materials: Not applicable

7.0 Handling and Storage

Precautions for safe handling:

This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.

Conditions for safe storage: (including any incompatibilities)

No special storage requirements are necessary for this product.

8.0 Exposure Controls / Personal Protection

Exposure limits:

This product is exempt from OSHA's Hazard Communication Standard (29 CFR 1910.1200). However, this product should not present a health or safety hazard under recommended or normal use of the product.

Engineering controls: (see above)

Eye protection: (see above)

Skin protection: (see above)

However, frequent skin contact should be avoided and gloves not normally needed, under recommended/normal use conditions.

Respiratory protection:

Not required under recommended/normal use conditions.

9.0 Physical and Chemical Properties

Auto ignition temperature: Not applicable

Boiling point: Not applicable

Color: Varies by product (multiple colors)

Density: Not applicable

Evaporation rate: Not applicable

Flash point: Not applicable

Melting point: Not applicable

Physical form: Solid

pH: Not applicable

Solubility/water: Nil

Solubility/non-water Not applicable

Specific gravity: Not applicable

Vapor density: Not applicable

Vapor pressure: Not applicable

Viscosity: Not applicable

Volatile percent: Not applicable

10.0 Stability and Reactivity

Stability: Stable

Conditions to avoid: None known

Materials to avoid: None known

Hazardous polymerization: This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.

Hazardous decomposition: (see above)

11.0 Toxicological Information

This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.

12.0 Ecological Information

This product, an article, is expected to present a low, if any, risk to the environment, as (i) its use and disposal are unlikely to result in any significant release of components to the environment, or (ii) because those released components are expected to have only an insignificant impact on the environment.

13.0 Disposal Considerations

The waste of this product should be disposed in accordance with local, regional, national and/or international regulations.

14.0 Transport Information

Not applicable (this product is not regulated per U.S. DOT, IATA or IMO)

15.0 Regulatory Information

Chemical inventories: These products are articles as per the Toxic Substance Control Act (TSCA) regulations, and therefore exempt from TSCA Inventory listing requirements.

U.S. Federal regulations: Contact

State regulations: Contact

International regulations: Contact

16.0 Other Information

National Fire Protection Association (NFPA) Hazard Classification

Health: 0

Flammability: 1

Reactivity: 0

Special Hazards: None

The information in this Article Information Sheet is believed to be correct as of the date issued. Getinge makes no warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose or course of performance or usage of trade. The user is responsible for determining whether the Getinge product is fit for a particular purpose and suitable for user's method of use or application. Given the variety of factors that can affect the use and application of an Getinge product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the Getinge product to determine whether it is fit for a particular purpose and suitable for user's method of use or application.
