

Avoid unnecessary OR interruptions

SmartView digital door sign

Ensure a smooth OR workflow with real-time updates on ongoing procedures and activities, clearly displayed outside the OR. Tailored to the specific needs of different surgical departments, the flexible and user-specific interface keeps your staff up to date, ensuring your teams are aligned and focused where it counts.

Reduce surgical infection risks
By minimizing unnecessary traffic in and out of the OR

Enhance team focus and efficiency
With fewer distractions and less noise for surgical teams

Enable smooth OR workflow coordination
Through real-time visibility and better timing

Real-time clarity at the door

With SmartView, one glance is all it takes to stay informed, avoid interruptions, and protect focus
